ABOUT ME

My name is Manoj Kumar, based in Sydney, Australia. I've been working in business management for the last 25 years - a comprehensive journey across business management, international commerce, operational excellence, and digital advertising operations.

EXPERIENCE

Fox Co

Operational Excellence Manager July 2022 - current

In this position, I work on areas related to business process, continuous improvement, innovation and compliance. The overall aim of the business unit is to improve the efficiency and efficacy of the company's operations across all the departments.

Media Ltd

Digital Advertising Lead July 2021 - July 2022

In this position, I work on areas related to business process, continuous improvement, innovation and compliance. The overall aim of the business unit is to improve the efficiency and efficacy of the company's operations across all the departments.

Real News Corp

Advertising Manager July 2017 - July 2021

In this role, I managed the Ad Operations team (recruitment, training & mentoring + escalation point for day-to-day issues), established better processes and involved in various projects across the wider Operations team.
